

**REMARKS**

Applicants elect Group VI, claims 25-32 with partial traverse. Applicants submit that Group 1, claims 1-3 and 33, although patentably distinct, should be examined together with Group VI since it does not create a substantial additional burden to be searched and examined. Applicants do not traverse restriction of the other groups.

**Conclusion**

If the Examiner has any questions or would like to speak to Applicants' representative, the Examiner is encouraged to call Applicants' attorney at the number provided below.

Respectfully submitted,
